

Fund Objective: The goal of the Long-Term Pool is capital appreciation and is appropriate for Fund Holders with a grantmaking horizon greater than 7 years and annual spending less than 10%.

The Long Term Pool is structured to prioritize long term growth over capital preservation. The pool is a diversified portfolio composed of a mix of stock, bond, money market and other investment funds and utilizes a combination of active and passive investment managers. Expected annual fees are estimated to range from 0.70% to 1.10% per year.
